INTRODUCTION

Dear all,

It's time for the big finale! After a great season, the very last weekend of the season, it is time find out who the best drivers of 2011 are. In most Cups the last races of the weekend will decide who will be crowned champion.

We are very pleased to welcome the FIA European GT3 Championship to our race track for the first time in history. Furthermore we welcome the Total Mazda MaX5 Cup and of course all our DPP Cups!

A very big thanks to all the drivers, teams and guests for this season so far. It promises to be a very exciting weekend, like a true finale should be.

On behalf of the DPP team, Best regards,

Menno Weeda
